

July 16, 2019

We hope everyone enjoyed the festivities that took place on July 1 to celebrate our official partnership with Baptist Health South Florida – and found the Welcome Sessions to be valuable. We also hope you enjoyed last week's **Baptist Health Way** celebration.

There are a lot of details involved in a partnership this size. We have numerous integration task force teams working hard on the many aspects of this integration. As promised, we are committed to keeping employees informed and educated every step of the way. We therefore will be sending "Integration Update" emails out every two weeks (every other Tuesday) and will be posting them to our mobile site as well - **Baptist Health on the Go** ([boca.baptisthealth.net/go](http://boca.baptisthealth.net/go)). The "Integration Updates" will contain time-relevant information on various processes and initiatives, such as in HR, Operations or IT, and will also likely contain new Frequently Asked Questions (FAQs).

For our first **Integration Update**, please [CLICK HERE](#) to access our latest FAQs.

If you have any additional questions about the integration, please reach out to your leader or call our dedicated HR Hotline at 561-955-2266.
